

Federal Way Laser Surgeons

FOR IMMEDIATE RELEASE:

Federal Way Laser Surgeons in conjunction with Fantasy Tan and IS Clinical Innovative Skincare is hosting an educational fundraiser event with all proceeds donated to the Melanoma Education Foundation.

Event Date: Thursday, April 8th, 2010 6:00pm-9:30pm

Location: Federal Way Laser Surgeons 34630 11th Ave South, Suite 100 Federal Way, WA 98003

“Safe Sun”- Skin Cancer Awareness- Mission Statement:

We are entering a season of peak sun exposure with Spring/Summer 2010. More than 90% of skin cancer is caused by sun exposure. Although the risk of developing skin cancer cannot be eliminated, minimizing exposure to ultraviolet radiation from the sun and tanning lamps and the proper application of SPF 30 or greater can reduce it. Now is the time to bring awareness within our community about protecting the body's largest organ, our skin.

EVENT SPONSORS:

Federal Way Laser Surgeons is dedicated to creating an all-encompassing cosmetic facility. We offer the most innovative medical aesthetic treatments. We work with our patients to establish progressive changes and obtain dramatic results. We provide our patients with the products, services and information to make them feel and look their best.

IS Clinical is dedicated to developing clinically validated skincare products that improve the physical and emotional well being of people globally. They employ the highest ethical standards as they advance the science of skin health, one face at a time.

Fantasy Tan is the world's first spray tanning company and leading manufacturer of spray tanning equipment and related tanning products. Fantasy tan was invented as a safe alternative to UV tanning. Their airbrush and spray system mimics the look of a beautiful suntan, without any of the risks of UV exposure.

HIGHLIGHTS OF EVENT:

- Complimentary airbrush tans and skin screenings
- Guest speakers and educational stations
- Giveaways and door prizes
- Food and beverages

ALL PROCEEDS FROM THIS EVENT GO TO THE MELANOMA EDUCATION FOUNDATION. *MINIMUM DONATION OF \$25.*

The Melanoma Education Foundation is a nonprofit organization devoted to saving lives from melanoma, a common skin cancer that is often deadly unless detected early before there are any symptoms.
